WISDOM WORLD SCHOOL
KURUKSHETRA

(Affiliated to Central Board of Secondary Education, New Delhi)

I AM THE CHANGE

Information Brochure | 2016-2017
GENERAL INFORMATION

Name of the Trust : Wisdom Social Welfare Trust, New Delhi
Name of the School : Wisdom World School, Kurukshetra
Medium of Instruction : English
System of Education : Co-educational
Address : Sector 8, Urban Estate, Kurukshetra -136 118
Telephone : 01744-222007, 222008
e-mail : info@wisdom.edu.in
Website : www.wisdom.edu.in
Facebook : facebook.com/WisdomWorldSchool
Youtube : youtube.com/wwskkr
Founding Date : 8 February 2011
Academic Levels : A. Pre-Primary (Kindergarten) (PP-I, II & III)
B. Grade I to X
C. Grade XI (Medical, Non-Medical, Commerce & Humanities)
Note : Grade XII will be added in the next academic session.
Affiliation : For Pre-Primary classes, the school is affiliated to IPC—a USA based educational body which provides International Preschool Curriculum.
For Secondary classes, the school is affiliated to Central Board of Secondary Education (CBSE), New Delhi.
Student-Teacher Ratio : Pre-Primary 1:27
Grade I to VIII 1:30
Grade IX & X 1:35
Grade XI 1:40
We are deeply influenced by the educational philosophy propounded by the renowned Japanese educational reformer, Kuniyoshi Obara* (1887-1977). He called his theory ‘Zenjin Education’. The Japanese word ‘Zenjin’ means ‘whole man’ or ‘whole person’. Thus his theory is often called 'Whole-man Education' or 'Whole-person Education.' We are absolutely convinced that the remedy of most of the ills that plague our educational system today lies in ‘Zenjin’ education. Obara believed that the biggest shortcoming of the Japanese educational system was a huge deficiency in cultivating cultural and ethical values in students. We find a strikingly similar situation in the Indian context. We, as parents, are obsessed with our child’s attainments in academics. We also put a lot of emphasis on preparation for entrance examinations. Our children find it convenient to indulge in rote memorization and cramming. All this terribly hinders the child's growth towards becoming a responsible, natural, genuine human being. The sad result is a lop-sided, unilateral and paralytic development.

Zenjin education enables the free and full development of a well-balanced human personality. Kuniyoshi Obara believed that there are six areas of human culture – academics, morality, art, religion, the body and livelihood. He called them ‘cultural values.’ He was of the view that the ideal of academics is truth; the ideal of morality is goodness; the ideal of art is beauty; the ideal of religion is holiness; the ideal of the body is health; and the ideal of livelihood is wealth. He strongly believed that the ideal of education is the harmonious development of all these six values.

We, at Wisdom, strive hard to cultivate all these values in our students to mould and nurture them into complete, genuine human beings who attain excellence not just in academics but also in morality, art and religion. They should also acquire skills and practices to be healthy and self-sufficient. Theory of Zenjin Education is like a reference guide to all the educators of Wisdom. They are supposed to read this book thoroughly and come out with ideas as to how this theory can be implemented in our Indian context. The school periodically arranges seminars and workshops where the educators share their ideas regarding Zenjin Education with other colleagues. All the co-curricular and extra-curricular activities undertaken in the school contribute in one way or the other towards ‘Zenjin Education’.

Wisdom World School is ideally located in Sector-8 which is in the centre of all the Sectors of Urban Estate, Kurukshetra. It is a neighbourhood school for residents of Urban Estate in the true sense.

- Airy, well-lit, modern school building
- It is the third school in the whole of India to be affiliated to IPC – a USA based educational organisation which provides International Preschool Curriculum.
- Wisdom was the first school in India to introduce iPads as a teaching aid in all the three Pre-Primary classes from its very first session 2011-12.
- Wisdom is one of the 52 schools in India to teach Japanese language.
- Wisdom is one of the very few schools teaching Reasoning as a regular subject from Grade V onwards.

**Dedicated web portal for all the students. Sitting at home on the click of a button, students as well as parents can access information like home work, class work, examination/activities schedule, attainments, school circulars etc**

- Two separate Fitness Centres to impart physical training in yoga and gymnastics
- Digital Communication Studio to train students in public speaking; to expose them to the world of multimedia and mass communication and to develop listening and speaking skills
- Gently welcoming, spacious, modern and ‘interactive’ (Smart) classrooms connected to internet to make learning a live, visual and vibrant experience
- All the classrooms equipped with LED televisions effectively used by teachers as a visual aid
- A fully-equipped, child-friendly, well-lit modern library
- Fully air-conditioned, modern auditorium with 300 seating capacity
- Individual, dedicated storage area in classrooms for all the Pre-Primary students to keep bags and water bottles
- Self-Management Workshop to impart training in cooking, baking, washing, ironing, stitching, laying tables, arranging wardrobes and also in dining etiquettes and table manners
- Two separate Music Studios to develop the skills in vocal as well as instrumental music
- Two separate Dance Studios to train students in classical, folk as well as western dances
- Creative Arts Workshop to nurture the inherent talent of students in fine art, commercial art, origami and other crafts
- Information Technology Laboratory to train students in the use of computers
- Separate recreational zone for small children
- Two separate splash pools of different sizes as per age groups of children
- Safe & secure ball-pool for small children
- Fun-filled water park with spiral slides and fountains
- Provision of microwaves on each floor for all the students to serve hot tiffin
- Training in Gymnastics, Yoga, Skating and Handball provided by professionally qualified coaches
- Transport facility available on dedicated routes
- Wi-Fi Campus
New and Noteworthy launch of Senior Secondary (10+2) Classes with a huge difference

- Integrated education under one roof within the safe and secure environs of the School Campus preparing students for CBSE as well as Competitive Entrance Examinations like:
  - JEE (Main+Advanced)  
  - AIPMT  
  - AIIMS  
  - Olympiads  
  - NTSE (from Grade IX)  
  - CLAT  
  - KVPY  
  - CPT  
  - NDA

- No tuitions, no coaching required outside the school campus
- Bridging the gap between the CBSE curriculum and the study material for competitive entrance exams
- Dedicated experienced faculty for Reasoning and Aptitude keeping in mind the upcoming new structure for Entrance Examinations
- Truly effective, comprehensive education with long school timings from 8:00 am to 5:00 pm
- Tutorials, personalised guidance and problem-solving sessions in small groups of about 10 students each
- All India Test Series to give students a platform to assess their attainment at All India level
- Affordable Fee Structure and Scholarships for Meritorious, Economically Weaker/SC/ST Students
- Air Conditioned, Hi-tech Classrooms and Air Conditioned Boys' Hostel (only for meritorious +1 students)
- Highly Competent, Highly Professional, Stable Faculty with Loads of Experience

**Scholarship Scheme (for +1 only)**

You Crack We Pay

- Between 85% & 95%: 75% Fee Waiver
- Between 75% & 85%: 50% Fee Waiver

Wisdom Scholarship cum Admission Test to be held on 31 January 2016
INFRASTRUCTURE

Colourful, hi-tech, audio-visual, wi-fi Kindergarten classrooms

Fun-filled water park with spiral slides and fountains

Safe, secure and comfortable outdoor play-station

Two Separate Dining Halls for Pre-Primary children
INFRASTRUCTURE

Microwave stations on each floor to provide hot tiffin to children

Well-equipped, child-friendly, well-lit, modern library

Fully-equipped, modern in-door Gymnasium

Learning Public Speaking in Digital Communication Studio
To provide a number of professional and vocational platforms to our students of Grade V onwards, we launched Clubs Wisdom in May 2014. The purpose of these clubs is to make the students identify and discover themselves and 'follow their heart'. In the given educational scenario there is hardly any scope for students to make out what they want to do in life. Amitabh Bachchan once said in an interview, "I was lucky that early in life, I knew correctly that I wanted to become an actor. I have come across several people in my life who do not know what to do with themselves". Very true. To figure out what one wants to do is quite an arduous task. Failing to figure it out results in a blind rat race with every student running about, taking tuitions to seek admission in an engineering or a medical college even if one is least inclined to become one. Wisdom wants to help its students solve this dilemma.

Inaugural Ceremony : Clubs Wisdom 2015-16

The second edition of Clubs Wisdom was inaugurated on 2 May 2015. The renowned punjabi singer Dolly Guleria was the Chief Guest on the occasion which was presided by the famous flutist Ustaad Mujtaba Hussain. A colourful cultural programme was presented by the students. Dolly Guleria mesmerised the audience with a couple of folk songs and Ustaad Mujtaba Hussain enthralled the audience with his flute recital.
SPECIAL OUT-OF-THE-BOX FEATURES

Glimpses of Clubs in Action
The budding film-makers of Wisdom Film Making Club made a film "The Reflection" which was shot entirely in the school under the guidance of Head, Cultural Affairs, Mr. Munish Sharma. The film was sent as an official entry for National Youth Film Festival.

A total of 150 educational institutions from 36 cities in 23 states of India sent the entries out of which 120 films were selected by the jury. Further, the jury short-listed 25 films for screening at National Youth Film Festival, 2015 which was held in Goa on 5-6 December. The festival was inaugurated by ace film-maker Subhash Ghai. The film by Wisdom was one of the top 25 to be screened at the festival.

The Final Verdict : Our Film Won 4th Position at National Level

A NOTABLE CLUB ACHIEVEMENT
Another out-of-the-box initiative taken by our school has been introduction of a series of theme based monthly competitions — Step One. These theme based competitions for students of Grade I to IV are organized in the last week of every month. Before the competitions the students are groomed and engulfed with the colours and flavours of the themes all through the month. It is a collaborative effort between the school and the parents who are partners in this exercise.

**Step One Index**

The following Step One competitions were organized during this session:

**MAY**

**THEME OF THE MONTH:** Civic Sense

**AUGUST**

**THEME OF THE MONTH:** Jashan-e-Azadi

**SEPTEMBER**

**THEME OF THE MONTH:** Knowledge Hub

**NOVEMBER**

**THEME OF THE MONTH:** Ram Leela

To view all the pictures of 'Step One Competitions', please visit the school website.
The School organized the following Inter-Class competitions named **Step Two** for students of Grade V to X during the last session:

### DEBATE COMPETITIONS

- **Group I** Grade IX Vs Grade X
- **Group II** Grade VII Vs Grade VIII
- **Group III** Grade V Vs Grade VI

### QUIZ COMPETITIONS

- **Group I** Grade IX Vs Grade X
- **Group II** Grade VII Vs Grade VIII
- **Group III** Grade V Vs Grade VI

### POWER POINT PRESENTATION

- **Group I** Grade IX Vs Grade X
- **Group II** Grade VII Vs Grade VIII
- **Group III** Grade V Vs Grade VI

SOME NOTABLE ACHIEVEMENTS

First Position in Inter-School Group Dance Competition held in New Delhi

Second Position in Inter-School Group Song Competition held in New Delhi

Second Position in Inter-School Japanese Drawing Competition held at DPS, Mathura Road, New Delhi
Due emphasis is laid on sporting activities in the school. Our school has made a niche in Gymnastics, Yoga, Handball and Skating which are part of daily routine. Our children have brought laurels to the school at State and National levels.
Wisdom has been named a ‘world’ school because it aims to provide world class quality education and exposure to students. We strongly believe that the mental horizon of students should not be just limited to the immediate surroundings but instead should be broadened to embrace the entire universe as aptly put by Lord Alfred Tennyson in his poem, "Ulysses" :

I am a part of all that I have met;
Yet all experience is an arch wherethro'
Gleams that untravell'd world whose margin fades
For ever and forever when I move.

Keeping this in mind our school has taken a number of steps, some of which are given below, to expose our students to international standards of education and knowledge.

Affiliation to IPC

Wisdom is the third school in the whole of India to be affiliated to IPC (the other two are in Tamil Nadu and Mumbai). IPC is a USA based educational body which provides International Preschool Curriculum. This is a thoroughly researched and peer reviewed curriculum designed by renowned academicians of the United States. It is designed to be appropriate and suitable for students around the world. It is the mission of IPC to raise the standard in preschool education and introduce children, parents and teachers to global perspectives with the intention of establishing cultural harmony through progressive education.

There are more than 120 authorized IPC locations on 6 continents. Many schools round the globe have become IPC members and are following this curriculum. The IPC not only provides curriculum but also imparts training to educators of member schools in its usage and methodology. All the educators of the school who are engaged in Pre-Primary teaching have undergone this training and are efficiently using this innovative curriculum in the classroom teaching.

Teaching of Japanese as a Foreign Language

Wisdom World School is one of the 52 schools in the whole of India where Japanese language is being taught as a subject. Out of these 52 schools, 29 schools are in Delhi/NCR and Wisdom is the only school north of Delhi/NCR to expose the students to Japanese language and culture. It is being taught as an optional subject from Grade V onwards.
We understand that just learning a foreign language in isolation cannot be considered effective unless the learner comes across and interacts with the native speakers of the language. Keeping this in mind we keep inviting resource persons from Japan from time to time, at least twice an year, to visit our school and conduct workshops. Mr. Atsushi Funahashi and Ms. Ayaka Suzuki, Mr. T. Funahashi and Mr. Satoshi Hata have been our regular visitors during the last four years.

Cultural Exchange Programme with Japanese School, New Delhi

Our school has established an Academic-cum-Cultural Exchange Programme with Japanese School situated in Vasant Kunj, New Delhi. The teachers of both the schools have visited each other a number of times to learn and understand each other’s areas of strength so that the same can be implemented in the respective schools for the betterment of children.
Cultural Exchange Programme with Schools in Japan

Not only in India our school has cultural exchange relationships with schools in Japan also. Our first batch of 6 students along with the Vice-Principal, Mrs. Sangeeta Bahl visited Japan under exchange programme with Tathva International School, Tokyo in October 2012. They stayed there for 10 days and interacted with teachers and students of the host school. Again our second batch comprising of 10 students along with Mrs. Bahl visited Japan in October 2015 under exchange programme with Tabara School, Kamogawa. This was also a 10 days visit during which they were exposed to the Japanese culture and traditions. Our delegation was joined by our school Chairman, Mr. Harish Sachdeva and our Japanese language external faculty, Mr. T. Funahashi and Mr. Satoshi Hata. The Principal of Tabara School, Mr. Haruhisa Usui was a perfect host who, dressed in traditional Indian dress, welcomed our delegation in his school with remarkable warmth and hospitality and supervised the whole programme himself. Our students made a power point presentation of Indian culture before Japanese students and teachers. In a short span of just a few days an emotional bond was established between our students and the Japanese students.
Cultural Exchange Programme with Schools in Japan
Yet another workshop for Japanese language and culture was organised by the school at the end of the academic session 2014–15. One of our external guest faculty from Japan, Mr. Satoshi Hata conducted the 20-days workshop for all the students learning Japanese language. It was a very fruitful learning experience and exposure for our students.
A MUSICAL JOURNEY WITH T.M. HOFFMAN

A 4-days music workshop by T.M. Hoffman was organised by the school for students of Music Club. T. M. Hoffman is an American settled in Japan. He is a master of Hindustani classical music. It was a great learning experience for our students who were exposed to wonderful music as well as Japanese musical instruments like Koto and Shakuhachi (Japanese flute). We are grateful to Mr. Hoffman for leaving his Koto with our school for our students to learn.
1. The minimum required age of the child seeking admission to Pre-Primary I (Pre-Nursery) is 2½ + years and to Pre-Primary II (Nursery) is 3½ years as on 31st March 2016.
2. Admission to all the three Kindergarten classes (Pre-Primary I, II & III) is given on the basis of a personal interaction with the child along with the parents.
3. Admission to all other classes from Grade I onwards is given on the basis of a written test.
4. Scholarships in the form of fee waivers for Senior Secondary classes are offered on the basis of WSAT (Wisdom Scholarship Admission Test) purely on merit.
5. Hostel accommodation for Senior Secondary boys is also allotted on the basis of WSAT and is available for meritorious, economically weaker sections and SC/ST students.
6. Preference is given to wards of staff members and candidates from neighborhood areas and siblings.
7. All the charges once paid are non-refundable under all circumstances.

**PAYMENT OPTIONS**

1. The school offers two Fee Payment Plans -- Quarterly and Annual. Parents are supposed to select any one of the two plans as per their choice.
2. In case a parent opts for Annual Fee Payment Plan at the time of admission in April, all the charges for the whole year are to be deposited in one go. In such a case, a discount / waiver of one month’s Tuition Fee is given.
3. In case of Quarterly Fee Payments Plan, the academic year is divided into four quarters as under:
   
<table>
<thead>
<tr>
<th>Quarter</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>I</td>
<td>April to June</td>
</tr>
<tr>
<td>II</td>
<td>July to September</td>
</tr>
<tr>
<td>III</td>
<td>October to December</td>
</tr>
<tr>
<td>IV</td>
<td>January to March</td>
</tr>
</tbody>
</table>

   The Admission Fee (if applicable), the Annual Charges alongwith the Tuition Fee and the Transport Charges for the 1st quarter are to be deposited at the time of admission. The Tuition Fee and the Transport Charges for the remaining three quarters are supposed to be paid in advance in cash every quarter before the 10th day of the month. However, if the fee is deposited by cheque, the last date will be the 8th day of the month.

4. Tuition Fee is payable for the whole year i.e. 12 months.
5. Transport Charges are to be paid for 11 months excluding the month of June but for Senior Secondary classes transport charges will be applicable also for the month of June due to extra classes.
OUR STAFF DELEGATION AT JAPANESE SCHOOL, NEW DELHI
Let there be light
