BIRTHDAY CELEBRATIONS

Birthdays of all the students in Wisdom World School are celebrated in a traditional Indian manner.

We do not encourage students to distribute sweets. This is to do away with any disparity amongst students. We want it to be a low-key but a unique and special day for the child. The educator conducting assembly puts a vermilion Tilak on the child's forehead. The students then wish their friend by singing a birthday song.

Students are NOT allowed to come in casual dress on the day of their birthday.
